1. Heard Mr.Joshi for the petitioner. The petitioner is an un-aided school. As against that, the vocational training is imparted in a Government school to the students of the aided school and on this ground the students of the petitioner-institution have not been accepted for vocational training. Affidavit filed by the Government states that there were 75 seats and all the 75 seats have been given to the students in the aided high school and junior colleges. Under these circumstances, we do not feel it appropriate to entertain the petition. Petition is therefore, rejected.
